

Sandhya Kini

Sandhya Kini, a Soft Skills trainer with over two decades of experience to back her, is a graduate in English Literature.

Sandhya ensures an **interactive and user friendly approach to training**. She creates an environment wherein they can perceive the problem and are able to relate to it. She pulls from all aspects to blend programs that are entertaining, insightful and educational. This approach has ensured that her participants retain skills learnt and able to deliver performance consistently.

Sandhya cares passionately about the people she works with. She has trained over 10,000 students on different skills.

In addition to her experience with corporate and colleges, also trained professionals of various nationalities (Koreans, Tibetans, Thai, Arabs, Iranians, Japanese and Bangladeshis) on **Effective English Language Communication Skills**.
