Supriya has over 5 years of work experience in the fields of Human Resource Development and Image Consulting.

A Master in Business Administration and a Certified Image Consultant, Supriya has undergone meticulous and rigorous training under Image Specialist Judith Rasband (CEO & Director, Conselle Institute of Image Management, USA), who is amongst the prestigious eight Certified Image Masters in the world.

Supriya's key areas of expertise include creating customer specific solutions, coaching abilities and bringing about an 'inside out' transformation across hierarchal levels. She is passionate about helping women and individuals, who wish to differentiate themselves in personal and professional situations, using the components of Image Management.
